

## STRATEGIC ADVISORY BOARD

**MICHAEL J. GELB**  
Co-chair

Michael is the world's leading authority on the application of genius thinking to personal and organizational development. He is a pioneer in the fields of creative thinking, accelerated learning, and innovative leadership. Gelb leads seminars for organizations such as DuPont, Merck, Microsoft, Nike, Roche and YPO. He brings more than 35 years of experience as a professional speaker, seminar leader and organizational consultant to his diverse, international clientele. Michael is the author of 15 books on creativity and innovation including the international best seller *How to Think Like Leonardo Da Vinci: Seven Steps to Genius Every Day*.

**JENNIFER BORISLOW, CLU**

Jennifer Borislow is the Founding Principal of Borislow Insurance. She is a nationally recognized expert, author, speaker and thought leader on employee benefits, insurance and related business strategies. As Chief Executive Officer and strategic coach of the organization, Jennifer focuses her energy on helping the agency create a unique experience for our clients and doing it all with a personal touch. For 36 years, Jennifer has helped business owners, executives and professionals develop a clear, forward-looking strategic vision for their organization that leverages employee benefits, risk management and much more.

She is the co-author of four books, *Bend the Healthcare Trend*, *Inspire to Act* and *Inspire to Act for Kids* with her business partner, Mark S. Gaunya. *Inspire to Act* is a collection of stories helping others to embrace the power of kindness.

Jennifer is Past President of the Million Dollar Round Table (MDRT), a premier international, association of leading financial services professionals. She is also a leading member of prominent industry associations such as TOT, NAIFA, NAHU and AALU, as well as several carrier/broker advisory councils. She has quoted and published in *Advisor Today*, *Business Week*, *Life Insurance Selling*, *Boston Globe* and other trade journals and publications.

**MARK MCDONOUGH**

Mark is CEO of Serenitee Restaurant Group, the largest restaurant group north of Boston. His personal focus is on enhancing hospitality, marketing, and building systems that measure and increase performance. Mark has been a tech entrepreneur since the 1980's. He focuses his wealth on reducing suffering for humanity, and supporting vibrant local economies, such as with his restaurant group.

## **SYLVIA BENITO**

Sylvia Benito is portfolio manager with 20 years of experience in managing family office investments. She began her career as an entrepreneur, co founding a start up in South America, The Oasis Institute, which she successfully exited before becoming a professional investor. She has worked in various capacities in wealth management, from hedge fund analyst to investment strategist for ultra high net worth individuals, managing \$1B in assets at GenSpring. Sylvia connects consciousness to capital by bridging the traditional world of investing to her proprietary innovations in quantifying the alignment, awareness, and transformative purpose of any company. Sylvia works with families, founders, and boards to adjust alignment to their highest and truest purpose, and in doing so, create chains of abundance that benefit the common good.

Sylvia holds her CFA charter and is trained in family governance and systems. Sylvia also leads and facilitates the Spirit Council of LifeGuides, which has the goal of holding a “heart space” and healing space, for the enterprise and its key stakeholders, who feel called to engage with the Council.

## **DR. CHRISTOPHER JONES**

Educated at the University of Oxford with dual degrees in health economics and biology, Dr. Jones is widely recognized for his health economics and outcomes research evaluations of in-vitro fertilization (IVF) that resulted in annual financial savings up to USD 100 million to the National Health Services (NHS), without compromising women’s success rates. In 1999, he invented evidence-based fertility insurance, a concept which is now being implemented internationally. He also founded the first website to give women population-based information concerning their chances of taking home a baby following IVF.

Dr. Jones has authored and co-authored scholarly articles that have appeared in such places as the New England Journal of Medicine and British Medical Journal.

He currently works in venture capital, networking with existing and future entrepreneurs in early investment opportunities in Health Tech and Cybersecurity. Dr. Jones has led the University of VT Medical Center’s \$75M health-tech venture capital fund for two years.

## **JODY HOLZMAN**

Jody is founder and Senior Managing Partner of Longevity Venture Advisors LLC, where he works with innovative entrepreneurs, venture investors, public companies and non-profit organizations to successfully leverage business opportunities in the \$7.6 trillion Longevity Economy. He is a recognized expert on innovation, products and services of relevance to the aging population – as well as the opportunities and challenges presented by the demographic wave. He was recently recognized as a Top 50 Influencer in Aging by Next Avenue/NPR.

Jody was previously AARP’s Senior Vice President of Market Innovation where he built the first program to spark innovation in the market that benefits people over 50. In this role, he developed the concept of the \$7.6 trillion Longevity Economy. Jody launched the Longevity Network [www.longevitynetwork.org](http://www.longevitynetwork.org) with United Healthcare, a destination for entrepreneurs, investors, and industry. He also built the health-focused research consortium, Project Catalyst, including United Healthcare, Pfizer, Medstar Health and Robert Wood Johnson.

Jody holds a graduate degree from the University of Chicago. He is a Managing Director of Match Point Partners, a healthcare advisory firm and investment bank. His work has been published in Venture Capital Review, American Banker, Journal of Business Strategy, Competitive Intelligence Magazine and Competitive Intelligence Anthology. His achievements have been recognized in Bloomberg Businessweek, CNBC, Financial Times, Forbes, Fortune, Information Week, Marketplace, NY Times, PBS News Hour, VentureBeat, and other media.

## **SERGUEI NETESSINE**

Serguei Netessine is Vice-Dean for Global Initiatives and Dhirubhai Ambani Professor of Innovation and Entrepreneurship at the Operations, Information and Decisions Department of the Wharton School, University of Pennsylvania.

Prof. Netessine received BS/MS degrees in Computer Science and Electrical Engineering from Moscow Institute of Electronic Technology. After working for Motorola and Lucent Technologies, he received MS/Ph.D. degrees in Operations Management from the University of Rochester. He has worked on business model innovation and operational excellence with numerous government and Fortune-500 organizations including the FAA (USA), Government of Singapore, Lockheed Martin, Procter & Gamble, McDonald's, Rolls Royce, Comcast, Expedia, ABB and US Air Force.

Prof. Netessine regularly participates in forums on Innovation and Entrepreneurship, including World Economic Forum in Davos and World Knowledge Forum in Seoul. He was a member of the "Future of the Economy" committee for Singapore Government.

A prolific writer, Professor Netessine holds senior editorial positions at leading academic journals and has co-authored publications in prominent management journals, including: Management Science, Marketing Science, Operations Research, Harvard Business Review and other. His work has received extensive media coverage in CIO Magazine,

The Economist, Forbes, Huffington Post, Multichannel Merchant, New York Times, US News, Business Standard and Strategy & Business and other press.

## **MARK CHRISTENSEN**

Mark Christensen is a Superconnector. His connection network is globally expansive and each relationship has been intentionally nurtured with care as a long-term trusting relationship. Mark's purpose and talents are energized by advancing organizational and individual Win/Wins through Human Connection.

Mark spent 12 years with the world's largest HR professional association, The Society for Human Resource Management (SHRM) during its accelerated growth from 40K to 260K members. Mark currently creates partnerships with SHRM as well of many of its 550 affiliates.

Mark started his career in business operations which focused on the people functions and building organizational culture. His experience includes a variety of industries in the public, non-profit and private sectors.

Prior to working with SHRM, Mark held leadership roles with brands like Zales Corp, FedEx, Jobing.com (a leading placement firm), State of Arizona, PeopleInk and continues to serve as a volunteer leader on Boards of Directors in Arizona, California, and New Mexico.

## **BOB WHIPPLE**

Bob Whipple is CEO of Leadergrow Inc., an organization dedicated to development of leaders. He speaks internationally on leadership topics and the development of trust. A senior leader at a Fortune 500 company for over 30 years, Bob accomplished revolutionary change while leading a division of over 2000 people through the application of outstanding “people” skills.

Bob is a student of the leadership process and has developed unique approaches to achieving excellent results through full engagement of people. He is author of four books and 60 videos on Trust and Leadership.

Bob’s ability to communicate pragmatic approaches to building trust in an entertaining and motivational format has won him top ranking wherever he speaks. His work has earned him the popular title of “The TRUST Ambassador.”

Mr. Whipple holds a Bachelors Degree in Mechanical Engineering from Union College, a Masters Degree in Chemical Engineering from Syracuse University, and a Masters of Business Administration from The Simon School at The University of Rochester. He is a Management Quality “Blackbelt” and has achieved a Certified Professional in Learning and Performance (CPLP) certification from the Association for Talent Development (recertified in 2020).

### Honors:

Lifetime Achievement Award for Thought Leadership in Trust – Trust Across America 2013

Chair of Board of Directors – Rochester Area Business Ethics Foundation 2017-2020

Making an Impact Award – National Association for Human Resources 2018

Best Consultant Award – Central New York American Society for Training and Development 2011

## **MARTIN S. KURTZ**

Marty is passionate about creating productive workplaces. His work unlocks collaboration and unleashes the potential of teams to achieve breakthrough results. He is the founder of Kurtz Consulting Group, Inc., an Organization Development and Executive Coaching firm based in the United States and operating internationally.

Simplifying how clients work together, Marty has navigated complex organization structures for over 30 years. His work in creating productive environments has supported the success of brand, innovation and product development teams on local,

regional and global levels.

Marty’s philosophy of work calls upon him to develop High Performing Teams that create High Performing Organizations. His applications of Executive Team Development are designed to cascade into the organization and solidify alignment of focus, results and culture.

A sample of companies Marty has supported include Johnson & Johnson, Novartis, Coach, Campbell’s, L’Oreal, Chase, UBS, Mars, Cadbury-Schweppes, Kind Snacks, Amy’s Food, Revlon, Life Technologies, Genentech, and Amgen.

Marty’s grandparents came to America as shop-owners and taught their family the value of hard work and dedication to a shared purpose. Today he lives in Northern NJ in a lakeside community not far from NYC.

## HEATH DIECKERT

Heath is the founder of The Dieckert Group, a coaching group that has served over 10,000 clients in over 3000 companies in 43 countries. Heath's passion is serving company founders and CEO's as they navigate the multiple stages of corporate and professional development in order to sustainably grow and impact the world in a positive way. Heath was drawn to LifeGuides because he believes its mission is an extension and expansion of his own life's work and is committed to seeing LifeGuides thrive and grow like so many of his other clients.

## GEORGE BANDARIAN II

George is a core part of the creative and management team that develops and curates our product – the amazing guides who share their experience, empathy and authentic caring. He also oversees software development and customer onboarding, all of which are aligned to deliver on the north star of Delight – customer and employee delight.

Prior, George was the President & CEO of AMI for over 15 years. As a successful CEO, he grew revenues and value over 10X turning the company into a leading provider of business process automation, with notable clients such as SpaceX, Walt Disney Company, NBC Universal, Northrop Grumman, USC, County of Los Angeles and many others. By selling workflow automation over the course of 15+ years, George gained

incredibly wide and deep B2B vertical and horizontal market experience across many industries and sizes including Enterprise, SMB, Government, Education and Military. Knowing he had a greater impact to make in the world, in February 2018 he negotiated a multi-million-dollar exit selling to a strategic buyer creating huge wins for all parties involved.

George graduated from USC's Marshall School of Business, Greif Center for Entrepreneurship. He was born and raised and happily living in Glendale, California. He loves to love his wife Mariam and 2 boys Geo and Greyson. In his free time, George can be found in deep meditation, practicing yoga, playing or watching sports, or learning about the latest in exponential technologies, especially A.I. and Robotics.

## JUD IRELAND

Jud was the first cash investor into LifeGuides, after Mark seeded the enterprise for a couple years of early research and testing. He was our first Founding Angel Investor. Jud is Chairman of Wisdom Trust Capital and EDR Global, which engages over 168 Chinese TV stations in 30 cities to promote environmental education and Earth Day events. In 2009 Jud was the only American member of the Chinese Beijing Environmental Exchange allowed to invest, trade and advise Chinese companies on carbon trading.

Jud is Chairman of GummiWerks, which is developing LUVLI, an innovative next gen female condom (soon to be launched). She is also Chairman of Naked Luxury condoms. Both brands have a strong social conscience and vision.

Jud served as Chairman of the environmental organization Big Blue Foundation which pioneered "Electronic Democracy." Founded by Mark McLaughlin and Regina Cleveland, it was known for controversial hard hitting Environmental PSA films featuring James Earl Jones asking (with success) that President Bush attend the First Earth Summit in Rio -- and with Paul Newman asking the President to "Save the National Forests" -- which President Clinton did. Big Blue was endorsed by the UN and 8 top environmental groups.

**IN MEMORIAM OF BARBARA MARX HUBBARD (1929-2019),**  
our advisor, colleague, and friend for her tremendous help and  
guidance launching LifeGuides.

Barbara was a world-respected futurist, author and public speaker. She was credited with the concepts of 'The Synergy Engine' and the 'birthing' of humanity. As an author, speaker and Co-founder/President of the Foundation for Conscious Evolution, Barbara posited that humanity now, as never before, is on the threshold of a quantum leap. If we are able to integrate newly emergent scientific, social, and spiritual capacities, we could transform ourselves to move beyond our current global crises to a magnificent future equal to our vast new potential.

She has a biography by author Neale Donald Walsch, *The Mother of Invention: The Legacy of Barbara Marx Hubbard and the Future of "YOU."* Her name was placed in nomination for the vice-presidency of the United States on the Democratic ticket in 1984, and at which convention she gave a speech upon being nominated.

***Barbara will remain in the thoughts and hearts of our team.***
